(b)(f)(h) Description of monument found at this corner and if it was accepted, state all evidence (material, testimonial, occupational, plats records, other monuments) used as a basis for accepting. If not accepted or nothing was found, state evidence used as basis for establishing location and what was set. 1846-1847 Alfred L. Brown established original corner location 39.92 1/2 chains East of the Southwest corner of Section 11.

November 17, 1998 - I found a 2" Iron Pipe with a pinched top which fit occupation to the north and prorated distances across the south line of Section 11. I accepted it as the corner, replaced it with a Vernon County, and set witnesses as shown.

(c)(d)(e) Plan view of corner with ties to at least four (4) witness monuments. If in disagreement with previously established corner, show the distances between the two corners and also indicate ties to disputed corner.
